## Foreward

The Bible says a lot about itself. Psalm 119 teaches us much about the value of God's word. For example, "Your word is a lamp to my feet and a light to my path" (v.105). The world around us is very dark because of the sinfulness of human beings, and the Bible alone can guide us through the misery and brokenness of this world.

Elsewhere, it is written, "How sweet are your words to my taste, sweeter than honey to my mouth!" (v.103). Honey, we all know, is very sweet, but the word of God is much sweeter. Although the Bible is our light and food, some parts are difficult to understand. This small catechism aims to help you better understand the Bible and what the Bible teaches us. Only once we grow in our knowledge and understanding of the Bible, together with the guidance of the Holy Spirit, will we be able to face the troubles and challenges of this life day by day.

The catechism comes in a question-and-answer form, together with all the necessary Bible references as proof that what is taught in it does not come from human teachers but from the word of God itself. The questions are there simply to make learning easier and make us think about what we believe. It is also a useful way to teach our children the truth of God's word.

This catechism is a combined effort of African Honey Bee and the Reformed Church Tshwane. It was done out of love for whoever would hold it in their hands and seek to study its contents. It was also done to bring many to faith and new life in the Lord Jesus Christ, in whom there is salvation and no other (Acts 4:12).

It is our prayer that our Almighty God would use this little booklet for many people's salvation, blessing, and spiritual growth.

## Endorsement

*This catechism booklet presented by African Honey Bee and the Reformed Church Tshwane got me very excited. With reference to Psalm 24:1 stating that “The earth is the Lord’s and the fullness thereof, the world and those who dwell therein”, they underline exactly this eternal truth by attesting and proclaiming to the minds and souls as well as to the words and deeds of every person reading and learning these texts. This booklet unquestionably helps in a sound, clear and creative way, to help people being reconciled with God through Jesus Christ, to act as responsible stewards themselves to glorify God.*

*The Biblical truths are taught, explained, and applied in such a graspable way that every person can understand and apply them. Reading it, I became convinced that this booklet addresses a humongous need of holistic proclamation and contextual application of the Bible not only in Southern Africa for which it was written, but worldwide.*

*The catechism addresses the essential core truths of the Bible in a simple, understandable way. The multiple-choice answers demonstrate that the authors understand the readers and their contexts. Its purpose is according to 2 Timothy 3:16,17 – to train mature and self-sufficient Christians. I pray and I am convinced that the Lord will bless the lives of many people through this booklet.*

*I applaud the holistic approach.*
